A Personal Word

From the Coile Family

March 31, 2025

Dear friends and fellow laborers,

Our family continues to serve the Lord, trusting Him to provide for our needs. God is always good and always faithful in taking care of us. He has earned the right to be heard; He has earned the right to tell us how we should spend our time.

Recently, Mom, Josiah, Benjamin, and Bethany got to go to Texas. They visited Grace Community Church in Pharr, Texas, went to spring camp in Leaky, Texas, and visited Lake Country Bible Church in East Texas.

"Mama Janet" continues to serve in the ministry through logistics, troubleshooting, and encouragement.

Josiah faithfully posts video podcasts on YouTube, videos that help people gain a better understanding of the Bible. These resources have been a great encouragement to many people. If you haven't watched any of them, check it out! Just look up "Focus Evangelistic Ministries" on YouTube.

Denita serves in the ministry by helping and supporting Josiah. We are grateful for the sacrifices she makes for the sake of the ministry.

I continue to study the Word at Dayspring Bible College. Recently, I was able to go to Israel, a trip that has greatly enhanced my spiritual life. Now, I have walked where Jesus walked.

I got to ride a camel in Israel!

Benjamin runs a lawncare business and works part-time in the ministry by taking care of the grounds at Grace Farm.

Bethany works hard to finish up high school. It is cool to watch her influence her friends spiritually. Bethany has a genuine care for people, and she uses her gifts to bless others.

We are eagerly preparing for a full summer of events at Grace Farm. God continues to bless our efforts, supply our needs, and work in the lives of those who come. We will continue to train leaders to advance the gospel as long as the Lord allows us to.

Eden Grace,

for the Coile family
