

Happy Thanksgiving!

Dear Friends,

In this season, our family is grateful to be used by God in continuing the ministry. Though we have suffered, God remains faithful, and He has blessed us beyond measure in so many ways.

Mom (**Janet**) is thankful that her children “walk in Truth” (3 John 4). She is grateful for sunny fall days and cool nights spent under warm blankets. She is thankful for God’s sustaining presence.

Denita is thankful to be married to and support Josiah in full-time ministry. She is grateful for her health, and that she is having a smooth pregnancy so far. She is also thankful to be living in the United States of America.

Josiah is thankful that God promises to never leave us, no matter what we go through (Hebrews 13:5).

Benjamin is thankful for Bible, God’s Holy Word. He is also grateful for his family, and this country we live in.

Bethany is thankful for eternal security, her friends and family, and her baby nephew on the way.

I (**Eden**) am thankful that God always hears my prayers, and that He answers them according to His perfect will. I am thankful for the opportunity to prepare for ministry at Bible college while still serving in ministry with my family. God is good!
