A Personal Word

From the Coile Family

July 28, 2026

Dear supporters,

Janet Coile here. *Whew*. It's been a wild ride this summer, and it isn't over yet!

After speaking at Grace Farm Josiah, Denita and Baby Orrin went to Camp Pearl in Louisiana where Josiah was the chapel speaker. They rushed home to help host a church youth group at Grace Farm, share at a supporting church and catch up with the podcast and Youtube ministries and are currently visiting friends in Virginia.

Eden, Bethany and I just got back from Camp Pearl in Louisiana. Eden served as a cabin volunteer there for four weeks, and Bethany and I joined her last week for Deeper Impact, which is a Bible Study camp for high schoolers.

Benjamin has been busy taking care of the facilities at Grace Farm.

This Thursday we travel to Maine to help Maine Ministries Outreach with Teen VBS. This will be our last ministry trip of the summer.

When we return home, there is much to be done to prepare Grace Farm for upcoming events. September 4-6 is our wilderness retreat for youth who want an outdoor experience while digging into God's Word.

Speaking of digging into God's Word, how is that going for you personally? Are you struggling to spend time reading the Bible? Do you feel frustrated with your lack of understanding? If you are a young believer, or need to be refreshed on basic doctrines, I'd like to recommend Freddie's little booklet "First Steps for Growing Believers." People refer to it as "that little yellow book." We have physical copies we can mail to you, or you can download a digital copy for your use. We often like to give these booklets out when we lead someone to the Lord.

Personally, I'd like to ask a favor from you. Would you *pray* about our ministry's finances? Please share with others about our ministry and let us know if you'd like us to come share with your church, youth group or Bible study. We'd love to enlarge our community and share the Good News of God's amazing grace with more folks!

Thank you!
