A Personal Word

From the Coile Family

June 28, 2025

Dear friends and supporters,

"Because God said so!"

During an assembly at Junior Camp, a chorus of excited campers' voices filled the air in answer to the question, "How do you know that you can have everlasting life by placing your faith in Christ?" It was so good to hear the campers exclaiming that **God's Word is the source and ultimate authority of truth.** If God says that the requirement for salvation is faith in Christ, then that is what we need to tell people to do to get saved. It was so good to see junior campers (eight to twelve-year-olds) sounding off about the truths they have learned during camp.

At Grace Farm, our mission is to share the life-saving message of salvation to everyone who comes through the gate. We want every person to leave camp with the assurance of their salvation. Furthermore, our goal is to train saved people how to be effective servants of Christ.

Josiah does a great job being the camp director and main speaker at Grace Farm. He is gifted in relating to kids, keeping them engaged, and meeting them where they are to teach them truth from the Word of God. I have seen the campers participate during assemblies by answering Josiah's questions, demonstrating that they have received the truth he has presented.

Benjamin is the activities director at Grace Farm. He leads the campers in team competitions that teach important life lessons, such as leadership skills, the importance of good communication, and obedience and respect for authority. Benjamin does a good job being intentional in leading activities,

recognizing that every sport, activity, or competition is an opportunity to teach important life truths.

Bethany is serving on the 2025 SWAT team, striving to be a Servant Worthy and True. She has faithfully watered plants, painted buildings, swept floors, and washed lots of dishes. Additionally, Bethany has served as a cabin volunteer, ministering to kids through her compassion and selflessness.

Mom and I continue to assist Josiah in whatever capacity is needed. Mom and I work together to figure out housing so that everyone who comes has a bed to sleep in at night.

Our family has been busy doing ministry at Grace Farm. We get up early, serve all day, stay up late, and repeat it all again the next day. Why? Because we are committed to the ministry God has called us to do. As Josiah pointed out recently, we're here because we believe that this is what God has called us to do. He has been faithful to provide for our needs.

If you believe in the ministry of Grace Farm, please consider joining our ministry efforts through prayer and financial support.
